New Tribal Electric Service Request

To: Kalispel Tribal Utilities
Attn: General Manager
Email: KTU@kalispeltribe.com

Date: _____
From: _____

Service Street Address: _____

New service title: _____

Requested energization date: _____

Accounting Code for capital costs: _____

Accounting Code for monthly power bill: _____

Attach: Layout of the plat, plan, building. Proposed KTU transformer location and service entrance location. Load panel schedules.

The undersigned hereby applies for Kalispel Tribal Utilities (KTU) electric service and agrees to comply with KTU's Customer Service Policies and Procedures as they now exist or as hereafter amended.

Printed Signature: _____

Authorized Signature: _____

Upon receipt of the completed New Service Request, KTU will prepare an estimate of the capital costs to install the new service for Customer approval. Upon Customer approval and upfront payment of the estimated cost to serve the new load, KTU will proceed with the new service installation.

Note: Per KTU's policy, we offer secondary service with voltages of 240/120 volts for single-phase service and 480/277 volts for three-phase service. Should customer desire a different voltage combination and KTU does not have a suitable spare transformer in stock, customer shall compensate KTU for purchasing an appropriate spare transformer.
